

PROMOTE YOUR BUSINESS

By offering other members of the Jasper County Chamber of Commerce a discount for products or services you offer

How does it work?

The program is voluntary. Discounts can be offered by Chamber members in good standing to other Chamber members that have a Member 2 Member card. Simply fill out and return the form and the Chamber will publicize the discounts to our members.

What types of discounts can be offered?

Any type of discount can be offered, such as a percentage off the purchase price. For instance, a 5% discount off a purchase at your store or a "freebie", such as a free dessert with a customer's meal. Be creative and consider your target market.

The Benefit?

First and foremost, bringing in customers and promoting your business, without the cost of advertising. Discounts will be advertised in Chamber publications and through the Chamber website. The program encourages Chamber members to do business with other members. It also provides members with an opportunity to offer their employees an additional benefit in the form of discounts at area businesses.

Discounts must be exclusive to chamber members rather than a general discount offered to everyone.

Participating businesses agree to promote the discount to consumers. The Chamber recommends placing the M2M Logo on your website and placing a sign announcing the program near your check out (provided by the chamber).
